Statements of Functional Expenses	5-6
Statements of Cash Flows	7
Notes to Financial Statements	8-17

#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors Nebraska Journalism Trust Omaha, Nebraska

## **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Nebraska Journalism Trust (the Organization), which comprise the statements of financial position as of December 31, 2023 and 2022 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## **INDEPENDENT AUDITORS' REPORT (Continued)**

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Organization's internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Nebraska Journalism Trust (the Organization) is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management who are responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America (U.S. GAAP) and have been consistently applied in the preparation of the financial statements.

## **Reporting Entity**

The Organization was incorporated in April 2021 to establish a path forward for high-quality journalism. Its board established bylaws and adopted policies to ensure journalistic integrity and a commitment to diversity, equity, and inclusion in their work and operational structure. Program activities are carried out through The Flatwater Free Press (FFP), a program of the Organization, which is a go-to source for investigative journalism and deep, meaningful storytelling. The Organization also publishes the Silicone Prairie News, a separate program of the Organization, which is a digital publication focused on business and start-ups. The Organization's revenues and other support are derived principally from contributions, government, and private entity grants. The Organization is located in Nebraska and principally serves residents of the state.

#### **Basis of Presentation**

The Organization maintains its accounts on the accrual basis of accounting.

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net assets without donor restriction – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both, and are reported in the statements of activities and changes in net assets as net assets released from restriction.

Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

## NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Measure of Operations**

In the statements of activities and changes in net assets, the Organization includes in its definition of operations all revenues and expenses that are an integral part of its programs and supporting activities.

#### **Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect certain reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Accordingly, actual results could differ from those estimates.

#### **Cash and Cash Equivalents**

The Organization considers all highly liquid investments with an original maturity of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and cash equivalents designated for long-term purposes, or received with donor-imposed restrictions limiting their use to long-term purpose are not considered cash or cash equivalents but are instead reported as restricted cash and cash equivalents.

#### **Contributions Receivable**

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be received in future years are recorded at the present value of their estimated future cash flows if determined to be material. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. The receivables are reviewed for collectability and a provision for uncollectible accounts is recorded based on management's judgement and analysis of individual donors, past collection experience and other relevant factors. No allowance for uncollectible accounts was deemed necessary at December 31, 2023 or 2022.

## NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Intangible Assets**

The Organization's intangible assets primarily consist of a donated digital news platform and website development costs. Intangible assets are recorded at cost upon acquisition and are amortized over their estimated useful lives, which range from 5 to 15 years. The Organization reviews the carrying amount of intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Any impairment loss is recognized in the statement of activities and changes in net assets.

## **Beneficial Interest In Assets Held by Community Foundation**

The Organization holds a beneficial interest in an affiliated fund of the Nebraska Community Foundation (the Community Foundation), a tax-exempt public charity created to support various charitable activities in the state of Nebraska. The beneficial interest represents the Organization's ownership in the assets held by the Community Foundation. The Organization's interest in the Community Foundation is accounted for as a beneficial interest and is measured at fair value. As of December 31, 2023 and 2022, the fair value of the beneficial interest is \$323,649 and \$375,722, respectively.

## **Compensated Absences**

Employees of the Organization are entitled to certain amounts of paid vacation time. In the event of employee separation, an employee is reimbursed for accumulated vacation time. The Organization's policy is to recognize the cost of the compensated absences when earned by employees.

#### **Deferred Revenue**

Deferred revenue represents performance and other revenue collected but not yet earned as of December 31, 2023 and 2022. It is the Organization's policy that once revenue is earned, the funds are recorded as revenue. Deferred Revenue as of December 31, 2023 and 2022 is \$0 and \$250,000, respectively.

#### In-Kind Contributions and Donated Services

Contributions of donated services or goods, that create or enhance nonfinancial assets or that require specialized skills, are provided by an individual possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

## NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **In-Kind Contributions and Donated Services (Continued)**

Contributions of nonfinancial assets included in the statements of activities and changes in net assets are comprised of the following as of December 31, 2022:

Digital News Platform \$ 100,000

The Organization recognized contributed nonfinancial assets within revenue, which consisted primarily of the donation of a digital news platform to be used by the Organization. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

The Organization estimated the fair value based on the price provided by the donor. The price was based on the amount that would have been paid had the amount not been donated.

There were no contributions of nonfinancial assets for the year ended December 31, 2023.

## **Revenue Recognition**

The Organization recognizes revenue when a customer obtains control of promised good or services, in an amount that reflects the consideration which the Organization expects to receive in exchange for those goods or services. To determine revenue recognition for arrangements that the Organization determines are within the scope of Topic 606, the Organization performs the following five steps: (i) identify the contract with a customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price; (iv) allocate the transaction price to the performance obligations in the contract; and (v) recognize revenue when (or as) the Organization satisfies the performance obligation. The Organization only applies the five-step model to contracts when it is probable that is will collect the consideration it is entitled to in exchange for the goods and services it transfers to the customer.

At contract inception, once the contract is determined to be within scope of Topic 606, the Organization assesses the goods or services promised within each contract and determines those that are performance obligations. The Organization then assesses whether each promised good or service is distinct and recognizes as revenue the amount of the transaction price that is allocated to the respective performance obligation when (or as) the performance obligation is satisfied.

## NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Revenue Recognition (Continued)**

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and right of return – are not recognized until the conditions on which they depend have been met. All support and revenues are considered unrestricted unless stipulated by the donor or grantor. Amounts received that are designated for future periods or restricted by the donor are reported as net assets with donor restrictions.

The Organization is the recipient of state and local government and private grants. Government grants are recorded as revenue when the Organization meets the conditions prescribed by the grant agreement, performs the contracted services, or incurs outlays eligible for reimbursement under the grant agreements. If the funds are for general operations, the revenue is recorded when the grant is awarded. Private grants are considered contributions and are recorded at the time the commitment is received. Grants receivable are stated at the amount by which the program expenditures are yet to be reimbursed or general operations commitments have yet to be received and are included in contributions and grants receivable.

## **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets and statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Certain costs have been allocated among the program, management and general and fundraising categories based on cost assignment, wage allocations and other methods.

## **Advertising**

The Organization expenses advertising costs as they are incurred. Total advertising costs were \$23,780 and \$13,808 for the years ended December 31, 2023 and 2022, respectively, and is included in marketing and communication in the statements of functional expenses.

## **Income Taxes**

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is not classified as a private foundation. As such, no provision for income taxes is reflected in the financial statements.

The Organization files Form 990, *Return of Organization Exempt from Income Tax*, in the U.S. Federal and state jurisdictions. As of December 31, 2023, the Organization has no uncertain tax positions that qualify for either recognition or disclosure in the financial

## NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Income Taxes (Continued)**

statements, and there are no material amounts of unrecognized tax benefits. Tax years subsequent to 2020 remain subject to examination by major tax jurisdictions.

## **Subsequent Events**

Management has evaluated subsequent events through November 14, 2024, which is the date the financial statements were available to be issued.

#### NOTE B - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Organization to credit risk consist of cash and cash equivalents and contributions and grants receivable. The Organization maintains its cash and bank deposit accounts in financial institutions that, at times, may exceed federally insured limits. Interest and noninterest bearing accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000.

#### NOTE C - LIQUIDITY AND AVAILABILITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities of program services as well as to support those activities to be general expenditures.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position comprise the following at December 31.:

		2023	2022
Financial Assets at Year-End:		_	
Cash and Cash Equivalents	\$	2,180,436	\$ 1,617,688
Contributions and Grants Receivable Net		877,950	495,800
Less: Long-Term Contributions and Grants			
Receivable – Not Purpose Restricted		(100,000)	-
Less: Donor Restricted Funds		(1,069,984)	(627,489)
Add back: Funds Restricted for Operations/Timing		733,000	391,650
Financial Assets Available to Meet General Expenditures	_		
Over the Next Twelve Months	\$	2,621,402	\$ 1,877,649

#### NOTE D - CONTRIBUTIONS AND GRANTS RECEIVABLE

Contributions and grants receivable consisted of the following at December 31,:

	2023	<u> </u>	2022
Due within one year	\$ 727,9	20 \$	395,800
Due after one year through five years	150,0	30	100,000
	\$ 877,9	50 \$	495,800

The discount rate was 0% for multi-year grants and contributions for 2023 and 2022. Management does not believe the impact of the present value discount of future pledge collections to be significant to the financial statements. No allowance for uncollectible contributions and grants receivable was recorded for 2023 or 2022 as all amounts were expected to be received.

#### **NOTE E - INTANGIBLE ASSETS**

The following table presents the details of intangible assets as of December 31, 2023:

	 Cost	umulated ortization	Carrying mount
Digital News Platform	\$ 100,000	\$ (6,667)	\$ 93,333
Website Costs	15,237	(6,094)	9,143
Total	\$ 115,237	\$ (12,761)	\$ 102,476

The following table presents the details of intangible assets as of December 31, 2022:

	 Cost	 mulated rtization	Carrying nount
Digital News Platform	\$ 100,000	\$ -	\$ 100,000
Website Costs	15,237	(3,047)	12,190
Total	\$ 115,237	\$ (3,047)	\$ 112,190

Amortization expense for the next five years ended December 31, are expected as follows:

	Dig	ital News			
Years Ending December 31,	F	Platform	W	ebsite	Total
2024	\$	6,667	\$	3,047	\$ 9,714
2025		6,667		3,048	9,715

2027		6,667		-	6,667
2028		6,667		-	6,667
Thereafter		59,998		-	59,998
	\$	93,333	\$	9,143	\$ 102,476

#### **NOTE F - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - o Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

• Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Beneficial interest in assets held by community foundation: Valued at fair value which is estimated as the fair value of the underlying community foundation assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## **NOTE F – FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth by level, within the fair value hierarchy, assets at fair value as of December 31, 2023 and 2022:

	As	sets at Fair Value as	s of December 31	, <b>2023</b>
	Level 1	Level 2	Level 3	Total
Beneficial interests in assets held by community foundation	\$	<u>-</u> \$ -	\$ 323,649	\$ 323,649
Total Assets at Fair Value	\$	- \$ -	\$ 323,649	\$ 323,649
	As	sets at Fair Value as	s of December 31	, 2022
	Level 1	Level 2	Level 3	Total
Beneficial interests in assets held by community foundation	\$	- \$ -	\$ 375,722	\$ 375,722
Total Assets at Fair Value	\$	- \$ -	\$ 375,722	\$ 375,722

The following table sets forth a summary of changes in the fair value of the Organization's level 3 assets for the years ended December 31, 2023 and 2022:

	2023	2022
Balance, beginning of year	\$ 375,722	\$ 665,073
Contributions	48,741	260,519
Withdrawals	(100,814)	(549,870)
Balance, end of year	\$ 323,649	\$ 375,722

#### **NOTE G - NET ASSETS**

The following table shows the Organization's net assets with donor restrictions and net assets without donor restrictions, as well as, details the nature of the donor restriction.

Net assets with donor restriction at December 31, are available for the following uses:

	2023		2022	
Subject to the passage of time:	\$	733,000	\$	391,650
Subject to expenditure for specified purpose:				
Reporting Positions and FFP		207,249		215,000
Silicone Prairie News		99,735		-
Other Initiatives		30,000		20,839
Total net assets with donor restrictions	\$	1,069,984	\$	627,489

#### **NOTE G – NET ASSETS (Continued)**

Assets released from restriction for the years ended December 31, are as follows:

	 2023		2022	
Satisfaction of purpose restriction/expenses	\$ 51,355	\$	4,160	
Passage of time	 441,650		116,651	
Total net assets with donor restrictions		_		
released from restrictions	\$ 493,005	\$	120,811	

#### **NOTE H – RETIREMENT PLAN**

The Organization has a retirement plan covering substantially all employees. The Organization will match 100% of employees' contributions to a 401(k), up to the first 3% of that employee's salary. Contributions to the plan were approximately \$15,469 and \$5,847 for the years ended December 31, 2023 and 2022, respectively.

#### **NOTE I – CONCENTRATIONS OF MAJOR DONORS**

The Organization received a substantial portion of its support for the year ended December 31, 2023 from one major donor who accounted for 46% of total Individual and Business Contributions, and Foundation and Trust Grants. Additionally, the major donor was 68% of total contributions and grants receivable at December 31, 2023.

The Organization received a substantial portion of its support for the year ended December 31, 2022 from two major donors who accounted for 33% and 10%, respectively, of total Individual and Business Contributions, and Foundation and Trust Grants. Additionally, the major donors were 10% and 20% of total contributions and grants receivable at December 31, 2022, respectively.

#### **NOTE J - RECLASSIFICATIONS**

Certain reclassifications were made to the 2022 financial statements to conform to 2023 presentation.

#### **NOTE K - SUBSEQUENT LEASE**

The Organization plans to enter into a lease agreement starting on December 1, 2024 for office space. The lease starts December 1, 2024 and ends November 30, 2031. The lease also has an option to extend for an additional period of five years. Monthly base rent ranges from \$5,626 to \$6,523 throughout the initial term.
